

Tri-Village Local School District

1:1 CHROMEBOOK PROGRAM

2018-19 School Year

Quick Project Overview

Chromebooks

- Will provide more opportunities for student differentiation
- Will provide teachers with timely student achievement feedback
- Will increase student engagement
- <https://sites.google.com/tri-village.k12.oh.us/1to1/home>

Device Deployment

- Device agreements must be signed and returned before devices will be issued.
- Devices will be dispersed to students in grades 7-12 during the first full week of school.
- The District will select an upper level course to pilot taking home use.

Why Chromebooks?

- Cost Effective
- Full Keyboard
- Excellent Battery Life
- Compliments our G-Suite
- Minimal down time if device is in need of repairs, service or replacement.
- Quick boot and update time

Device Ownership

- The District will maintain ownership of the devices used by students in grades K-12.
- Chromebooks will be used until their senior year. When students graduate high school, the device will be recycled back into the program. Newer devices will be added to upper grade levels.

2018 Cost of Devices

	Quantity	Retail Price	Discounted Price
<u>Dell Chromebook 11 / 13</u> <i>4GB Version</i>	290 /12	\$289.00	\$ (NYR)
<u>Google Chrome OS Management Console</u> <i>License for Education</i>	302	\$32	\$(NYR)
Cases, Mice, and other accessories purchased by student	-	\$-	\$-
Total		\$96,942	\$(NYR)

Chromebook Accessories

- Class fundraisers will offer cases, mice, and other chromebook accessories to purchase.
- Cases purchased on your own should be approved prior to purchasing to make sure of compatibility.

Repairs

Repairs may only be made by Tri-Village Local School District.

Repair Costs <i>Students are responsible for cost of repairs only if damage was deliberate, unless they purchase the optional insurance plan.</i>	Broken Screen	Keyboard Repair	Power adapter + cord	Battery Replacement	Lost Device
	\$75	\$105	\$65	\$120	\$305

Updates & Maintenance

- Devices will be collected over the summer so updates and maintenance can be performed.
- Students will receive their same device the following school year.

Next Steps

- Review the 1:1 Chromebook Guidelines & Procedures.
- Sign the paperwork
- Return to School District
