Adopt a Flower Bed

Tri-Village Local Schools is blessed to have a beautiful building and wonderfully landscaped grounds. The number of landscaping beds may surprise citizens. There are 19 flower beds on school grounds. While they are beautiful it also takes work to maintain them. We would like to offer families, groups, and organizations the opportunity to adopt a flower bed to help us have an attractive place to welcome visitors and make our students feel special. We will post a sign to give credit to the family or organization who agrees to care for the flower bed. If you would like to get involved please contact Shellie Francis at 996-1511.

It will feature music, both past and present, from the genre of Country Western. There will be performances from soloists, a variety of ensembles, Tri-Village "First Edition", Tri-Village Junior High Chorus as well as the Tri-Village High School Chorus. Show times are **Saturday April 2, 2011 at 6:30** and **Sunday April 3, 2011 at 4:00** in the HS Auditorium. Tickets are \$16.00 (*please make checks payable to the Tri-Village Music Boosters*). Tanny Clark and Delight Catering are once again preparing the meal. Meal Tickets can be purchased beginning March 7, 2011 in the chorus room after school until 4:00 p.m. We will also be selling stadium seats this year that include a complimentary bottle of water, no meal, for \$5.00. These can be bought pre-sale or at the door. Proceeds from the show are used to help our chorus and band compete nationally every 3 years. Past proceeds are currently aiding our HS chorus and band members as they prepare to travel to Nashville and Gatlinburg, Tennessee to compete this May. We hope to see many of you there and thank you for your continued support of our Tri-Village Music Department.

K-6 PE Classes Raising Money for Charity

The Tri-Village Elementary participated in Jump Rope for Heart! Jump Rope for Heart is the American Heart Association's program that promotes community service when educating our students on the importance of heart health. Through the program, each student grades K-6 had the opportunity to raise funds for the American Heart Association to fund research and educational materials to lower the risks of America's #1 and #3 killers: heart disease and stroke. The event took place during the student's regularly scheduled PE Class.

Scholarship Search Tips

- Start early in the fall of your senior year
- Check out colleges, outside organizations, and local organizations
- Apply for as many as possible
- Beware of scams. Never pay a scholarship search company. There are plenty of free searches available and a company can't get anything for you that you couldn't get for yourself.

The PATS have some fun events planned for this year. Please mark them on your calendars.

- Reading Bingo April 7th from 6-7.
- Author Rick Rieser will visit on May 20th
- Vehicle/Career Day May 23rd
