

Grade Level Content Statement Topic:

Historical Thinking and Skills

4.3 Various groups of people have lived in Ohio over time including American Indians, migrating settlers and immigrants. Interactions among these groups have resulted in cooperation, conflict and compromise.

4.4 The 13 colonies came together around a common cause of liberty and justice, uniting to fight for independence during the American Revolution and to form a new Nation.

4.5 The Northwest Ordinance incorporated democratic ideals into the territories. It provided a process for territories to become states and recognized them as equal to the other existing states.

I can statements:

I can cite reasons why the arrival of European settlers in Ohio led to conflict with American Indians.

I can sort interactions between conflict and cooperation.

I can identify European groups that settled in Ohio.

I can discuss ways that American Indians and migrating settlers worked together in Ohio.

I can explain why the American colonists united to fight for independence from Great Britain and form a new nation.

I can explain taxation without representation.
