NEW BUSINESS

A. <u>Frech</u> moved and <u>Schlechty</u> seconded that The Board of Education approve the following rehiring of retired teachers resolution as recommended by the Superintendent.

The following provisions shall govern the rehiring of certified/licensed teachers who have retired from employment with the Tri-Village Local School District.

Any person who has retired and then rehired will be automatically considered as being non-renewed at the end of each one (1) year contract and said position will be posted, advertised, and applications

accepted. Personnel in that position may state their intent to reapply for said position but must go through the identical process as all other applicants.

Retired teachers must declare their retirement prior to rehiring and be currently certified / licensed.

Teacher who has retired from Tri-Village Local School District and are rehired shall be placed on the salary schedule at the Bachelor 0 year experience salary step. Step increases are allowed with a cap at step five for continuous service from Tri-Village Local School District after retirement.

For the purpose of seniority, retirement for a period of not less than sixty (60) days constitutes a break in service, so the retired employee must begin again to accrue seniority of service in the District.

Employees of the district, who have received severance pay based on their accrued, but unused sick leave days, upon retirement, shall be deemed to have closed the sick leave account.

Retired teachers rehired by the Board shall begin over to accumulate new sick leave days as provided by Ohio Revised Code. Retired teachers who are hired or rehired by the District shall be excluded from the collective bargaining agreement except for the provisions contained in this resolution.

Retired teachers rehired will not be eligible for severance.
