## Tri-Village Local Schools

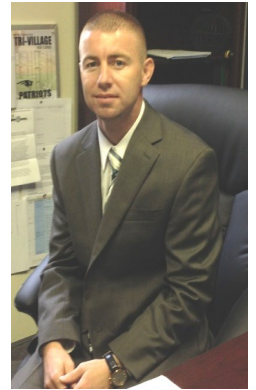

July 2016

### Superintenden't Message

Dear Families,

The days are still warm and long, the beach still beckons however I am proud to announce that we are ready for the 2016-2017 school year. Our faculty and staff have been busy planning and preparing, while our technology and maintenance personnel have been working all summer to make sure that our facility is prepared and equipped for another productive school year.

I think there are few events that are as exciting as the opening of the school year. In my day, it was a time for that new pair of shoes and school supplies! While many things have changed, some aspects of a brand new school year remain the same. Students are happy to be back in a routine and be reunited with friends all along being curious about who their teacher will be and what new journey awaits them. Likewise parents are delighted their children are back in a routine and inquisitive about this year's educational roadmap.

As the educational landscape in Ohio continues to be fluid we at Tri-Village are committed to provide a challenging learning environment for all students. We in the Tri-Village District are ready for these challenges and continue to seek ways of being more competitive and innovative in the educational marketplace so that our students have the necessary tools to excel. Our outstanding educators and staff are working hard to meet the demands while creating high quality opportunities for students to be college and career ready.

The partnership between schools and community is the backbone of our excellence. As we embark on a promising new year together, it is my aspiration that we will work collaboratively to provide your child the best possible opportunities to maximize their potential. We believe our partnership with you is of significant importance to the success of your child in their educational journey. As superintendent, my door is always open and I welcome your input. As mentioned above, we anticipate another successful year at Tri-Village Local as my team and I support the academic, social and emotional growth of your child.

Sincerely,

*Josh Sagester*
