

Show your support for your Favorite Patriot!

Starting this year, you will have the opportunity to support your favorite athlete by creating an ad to cheer them on! These ads will be displayed on our new Concession Board located in the commons area above the Concession Stand. The ads will run every 10 seconds beginning an hour before game time and running until the concessions close.

There are other great opportunities as well. Want to advertise for your business or community related event? TV Telegram is a fantastic way to share with Patriot community the details of your event or business. Why not give a special shout out for a birthday or anniversary? Use this new service to honor those special people in your life who have supported you.

Pricing can be found below. Ads will need to be in the form of a JPEG that is 11x17 in Landscape Orientation. You will have the opportunity to choose from pre-made templates and we will work with you on the colors and style of the ad. Proofs will be provided for your approval before display on game night. Please fill out the form and provide us with a picture and the text you would like to include. If pictures are already scanned or in digital format, please email them to
