Dear Parents,

The Tri-Village football coaching staff is excited to put on a non-contact football camp for grades 2-8. This camp will focus on teaching basic football skills such as blocking, catching the ball, carrying the ball, and tackling. We will also focus on kicking and snapping the football. Every drill will focus on teaching your child how to play the game safely. This camp is an excellent way to introduce the sport to new athletes who have not played before and build skills for those who have. We look forward to your participation!

Thank You,

Robert Burk, Head Football Coach
