March 2012

Tri-Village Schools Give Back

Tri-Village students and community along with National Trail Elementary collected school supplies for teachers and students in Henryville, IN that was devastated by a tornado on March 2, 2012. Special thanks to Eaton and Richmond Walmart for donating school supplies, New Madison Public Library, New Madison Mini Mart, Dollar General, Girl Scout Troop 31117, and many countless individuals. A small group of teachers and students from Tri-Village delivered the supplies to Henryville, IN on Sunday. Special thank you to Kirt Drew for driving the supplies to Henryville on March 11th.

Congratulations 8th Grade CCC Champions

Darke County Writing Contest

Elijah Driver, 5th grade student, was chosen as the winner of the Darke County Writing Contest for 5th Grade. His selection will now be entered in the Ohio State Writing Contest for 5th graders. Congratulations, Elijah, and good luck!

TRI-VILLAGE BOWLING TEAM

As the 2011-2012 high school bowling season draws to a close I would like to share some highlights. This year we were able to field both a boys and a girls team. A very exciting step as the bowling program grows here at Tri-Village, and with high games of 236 and a high baker game of 204 we continue to raise the bar. The teams competed in various matches throughout the season and ended with the boys competing in the Sectional Tournament.

We held the 2nd annual Battle Bowl as a fundraiser which is a way of introducing the school and community to the sport of high school bowling. Champions this year were the high school boys team. Thanks to all the students, faculty and families that participated in this fundraiser. We would also like to thank the New Madison Kiwanis Club for sponsoring us in the Big Brothers Big Sisters bowling fundraiser.

As I look forward to next season, with the returning athletes and a few new recruits, we will be ready for the challenge.

Thanks to the parents for the great support, and thanks to the athletes for a great season.

M.V.C.T.C Students Ready for State Competition

Miami Valley Career Technology Center SkillsUSA students performed well, with 47 students qualifying in their contest for the state competition. In the past, MVCTC students have excelled at SkillsUSA competitions often making it past the Regional and State levels to either win or place in the top three at the National Competition. The National Competition, held in the summer, brings together more than 14,000 students, teachers, education leaders, and representatives from more than 1,100 national corporations, trade associations, businesses, and labor unions from across the United States. **Tyler Royer**

(Precision Machining) competed in the Precision Machining contest, and placed 2nd. MVCTC and TV Schools are very proud of Tyler and his accomplishments and wish him the best of luck as he represents us in Columbus.
