Notes from Principal Morris:

- Tri-Village will be hosting a career fair for Juniors and Seniors Friday, April 2nd, 2025.
- The High School Band and Choir Concert will be Wednesday, April 23rd, 2025. More information will be given soon.
- The 7th and 8th Grade Winner's Meat Fundraiser Delivery will be Friday, April 25th, 2025. More details will be given closer to that date.

A Note from our School Resource Officer:

The cones (labeled 1 and 2) have been moved farther forward on the curb side. When you are dropping off students please pull up to the farthest cone and as close to them as possible to keep the line flowing.

Also for the safety of our kids this is a reminder we do not allow students to be dropped off outside the curb lane.

Please plan accordingly and hopefully these changes will make it safer and more efficient for all.

Thank you,

Deputy Dan Stockslager

*Please remember that any transportation changes must be in writing and submitted to the office.

Transportation Changes cannot be made after 2PM. Please plan accordingly!

The transportation changes can be emailed to the secretaries:

Winner's Meat Fundraiser

Sponsored by the Tri-Village Junior High Student Council

The Tri-Village Junior High Student Council is sponsoring the Winner's Meat Fundraiser. The funds raised will be used at the discretion of the student council to benefit the junior high students at Tri-Village. The student council members, along with their classmates, will be selling prepackaged Winner's Meat Products.

Orders will be taken March 10th - March 26th. Money must be collected at the time the orders are placed. The products will be ready for pick-up on Friday, April 25th. Pick-up times are 2:00 - 5:00 p.m. at Tri-Village Schools. All orders can be picked up outside of door #11. The products will be frozen when delivered, so it is imperative that the students deliver to their customers in a timely manner. A cooler, boxes or baskets are suggested for students to bring along when picking up their orders.

A portion of the sales of the individual grades will go into their class so they have money to start high school. Students selling more than \$100 in sales will be invited to participate in a pizza party in May. First, second and third place sellers in each grade will be awarded gift cards of \$50, \$25, and \$15 respectively.

All order forms along with the money must be turned in by Wednesday, March 26th. Please see the Order Form on the following page to see the options available to order.

Questions regarding the Fundraiser can be directed to Taylor Rawlings, Junior High Student Council Advisor:

General Guidelines for Keeping Children Home from School Due to Illness

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the Ohio Department of Health.

CHICKEN POX: Your child should remain home until all blisters have scabbed over, usually 6 days after the appearance of the first crop of blisters.

COMMON COLD: Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater he/she should remain home until he/she has been fever-free (without the use of fever-reducing medicine) for a full 24 hours. Remember fever is symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Your child should remain home from school until symptoms are gone and the child is without a fever for 24 hours.

HEAD LICE: Following lice infestation, please accompany your child to school the morning after receiving treatment. The school nurse or trained staff will check to make sure there are no live bugs and that progress has been made in removing nits.

IMPETIGO: Your child should remain home from school until receiving 24 hours of antibiotic therapy and sores are no longer draining.

PAIN: If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

PINKEYE: Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eye has stopped.

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

STREP THROAT AND SCARLET FEVER: Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until he/she is without fever or vomiting for 24 hours.

VOMITING AND DIARRHEA: Your child should remain at home until vomiting, diarrhea or fever has ceased for a full 24 hours. If your child has had any of these symptoms during the night he/she should not be sent to school the following day.

More information is available at: <http://www.odjfs.state.oh.us/forms/num/JFS%2008087/pdf/>

****PLEASE BRING A PHYSICIAN STATEMENT TO SCHOOL
