#### ABOUT CHRIS HERREN

Chris Herren, a basketball legend from Fall River, Massachusetts, was an All-American, broke scoring records and was recruited by the nation's top colleges. Herren realized his lifelong dream of playing in the NBA when he was drafted by the Denver Nuggets in 1999 and then traded to his hometown team, the Boston Celtics in 2000, before losing his career and almost his family to the disease of addiction.

Alcohol and drug-free since August 1, 2008, Chris has spoken to over one million students nationwide with the goal of sparking honest discussions and making a positive difference in their lives. Through inspiring presentations Herren empowers the audience and guides students to rethink how we look at the disease of addiction, from the last day to the first.
