One of TV's own participates in Global STEM Research Experience

This summer, Tri-Village Junior High/High School teacher Christina Smith participated in the Global STEM research experience for teachers funded by the National Science Foundation, facilitated by the University of Dayton and Central State University. The primary goal of the collaborative research experience was to provide transformative summer research experiences for grades 6-12 teachers in international engineering research, thematically centered on human-centered design and appropriate technology for developing countries.

Christina was immersed in the culture of the indigenous people of Otavalo, Ecuador for three weeks. She participated in developing community-centered irrigation solutions, taught basic electrical engineering classes, and learned about scientific and technological advancements in the community. She will bring this experience into our classrooms next school year as she develops STEM curriculum inspired by her international immersion to help our Tri-Village students develop a cultural competency.

Spirit Award

Tri Village High School has been selected as one of the high school sports programs to receive funds from the 2024 McDonald's High School Sports Digital Fundraiser!

On September 26th, local area McDonald's restaurants will be raising money for local high school sports programs. Restaurants will be donating 10% of all digital sales made in the McDonald's App on 9/26 to your school's athletic department.

Here is the restaurant that will be raising money for YOUR school's athletics! 10% of all their app sales on September 26th will go DIRECTLY back to your athletic department!

- 1237 Sweitzer (Restaurant Contact: Cindy Frantz, cindy@scottmcd.com, 937-214-9103)**

We want to invite you to share the news! The more orders made in the McDonald's App, the more money raised for your school! Attached are graphics for your school that you may print or share online!

And of course, if your school spirit is high, contact or visit the McDonald's above to see if you can add some spirit to the event and work together to promote it to the local community!

Questions, just email us at ohiosportsdaymcd@gmail.com or call 1-800-435-9539.
