

Biology Year Plan

Quarter 1

- Nature of Science

- Microscopes

- Cells

 - Macromolecules

 - Enzymes

 - Cellular Structures

Quarter 2

- Cellular Processes

Quarter 3

- Genetics

 - DNA and RNA

 - Transcription and Translation

 - Mutations

 - Heredity

Quarter 4

- Evolution

 - Mechanisms

 - Speciation

- Ecology

 - Biodiversity

 - Ecosystems

 - Loss of Diversity

 - Anthropocene effects

 - Extinction

 - Invasive species
