

Tri-Village Elementary Welcome Back

News from the Principal Welcome Back!

I hope you had a wonderful summer and you are relaxed and recharged and ready to start the new school year. Our staff is ready and prepared for the students and are all ready for a incredible and productive school year. Some classes have already started MAP testing and others will start next week. PATS has their first meeting September 21st @ 6:00 PM. If you are free please come out and meet some new people and help make our school Awesome! Coming soon, Watch D.O.G.S.

(Dads Of Great Students) We will be calling all dads to make this program a success. Please watch for the launch date coming soon.

New Staff

Please welcome Mrs. Brooke Clevenger to our 6th grade team. Brooke is entering her 14th year of education, teaching the last 11 at Arcanum in the 4th grade..

Brooke is a graduate of Brookville High School and Wright State University. Brooke will teach 6th grade ELA for the Patriots.

Successful Year

A great year takes the staff, students and the families of Tri-Village. The Patriot code of conduct is being respectful, prepared, responsible and safe. With the students following this code, parents helping their students with getting to school everyday, and with our great staff, I know that the 2022-2023 school year will be a great success.

Information about when to Stay Home From School....

General Guidelines for Keeping Children Home from School Due to Illness:

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the Ohio Department of Health.

CHICKEN POX: Your child should remain home until all blisters have scabbed over, usually 6 days after the appearance of the first crop of blisters.

COMMON COLD: Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater he/she should remain home until he/she has been fever-free (without the use of fever-reducing medicine) for a full 24 hours. Remember fever is a symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Your child should remain home from school until symptoms are gone and the child is without a fever for 24 hours.

HEAD LICE: Following lice infestation, please accompany your child to school the morning after receiving treatment. The school nurse or trained staff will check to make sure there are no live bugs and that progress has been made in removing nits.

IMPETIGO: Your child should remain home from school until receiving 24 hours of antibiotic therapy and sores are no longer draining.

PAIN: If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

PINKEYE: Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eye has stopped.

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

STREP THROAT AND SCARLET FEVER: Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until he/she is without fever or vomiting for 24 hours.

VOMITING AND DIARRHEA: Your child should remain at home until vomiting, diarrhea or fever has ceased for a full 24 hours. If your child has had any of these symptoms during the night he/she should not be sent to school the following day.

More information is available at: <http://www.odjfs.state.oh.us/forms/num/JFS%2008087/pdf/>

COVID-19: If your child or a family member has 2 or more Covid-19 symptoms that are different from their usual symptoms of seasonal allergies, please keep your student home and contact the school nurse for current guidelines.

****PLEASE BRING A PHYSICIAN STATEMENT TO SCHOOL IF SEEN FOR ANY OF THE ABOVE ILLNESSES.**

School Pictures

School Picture Day is
September 19th.

Everyone will get their
picture taken even if
you are not buying a
picture package.

EARLY RELEASE

Dentist

The Mobile Dentist will be
seeing students at Tri-Village
on November 7th, 2022 and

May 8th, 2023. If you would
like your child to see the
dentist, please sign up at
www.myschooldentist.com
or contact the school nurse
for a form. Registration is
due by October 15, 2022 for
those interested.

Helpful Hints for Test Day

- Make sure your child gets a minimum of eight hours of sleep.
- Provide a good breakfast that includes fruits and whole grains.
- Provide positive encouragement and make sure the child knows the importance of the test
- Remind your child to make sure every question has an answer
- Remind your child to review their answers before the test is collected

Arrival Procedures

Students that are walking or transported by parents will enter and exit on the north side of the school. Students should not arrive before 7:45 A.M. If a student arrives after 8:10 A.M. he/she will need to report to the office and sign in as "tardy." Parents are not to block the school's entrance by parking their cars in the drop off zone. Please pull in the parking lot to wait for your student, we ask you to please drive slowly and with caution. No K-6 students are allowed to be dropped off in front of the Early Learning Center or the PAC (Patriot Activity Center) in the northeast parking lot of campus. All parents have to enter the Main Street entrance and go through the Elementary pick up line and exit accordingly.

Notification of Absences

Please notify the school at 937-996-1511 Option 3 or Email misty_brummett@tri-village.k12.oh.us if your student will be absent. If you have an appointment please bring in a doctors note to medically excuse the absence.
