## Community Christmas Dinner

The National Honor Society and the High School Student Council are teaming up to sponsor the first Community Christmas Dinner. They are planning to serve a dinner consisting of chicken, mashed potatoes and noodles, green beans, roll, dessert and drinks. We will serve on Sunday, December 8th from 4:00 - 6:00 pm. Meals are limited so when we run out of food we will stop serving. Meals are free to the community. There will be no carry out. Come enjoy a meal and let our students show you some wonderful Tri-Village hospitality.

## **National Honor Society New Inductees**

The Tri-Village Chapter of the National Honor Society held a solemn ceremony of induction for the following 10 new members to the organization: Seniors - Reagan Brewer, Ellie Curtner, Michael Rhoades, Juniors - Aereonna Baker, Kaitlyn Cook, Logan Delong, Sydnee Delong, Sophomores - Carsen Dyson, Alexis Finkbine, Sophie Goins.

Congratulations to these Patriots on their selection to one of the oldest honorary societies in the American School Systems. These students were selected, by a faculty council of Tri-Village teachers, based on their merits in the following categories; which are known as pillars for the NHS: Character, Scholarship, Leadership, and Service. The Tri-Village Chapter Advisor, Mrs. Heather Stump, is excited to work with the current and new members to engage in useful service activities in the community. The current members of the Tri-Village Chapter of the National Honor Society assisted in the induction ceremony. Those students are as follows: President Grace Bergman, Vice-President Lydia Aytte, Secretary Mekedes Butsch, Treasurer Heidi Bell, Taylor Begoon, Trey Homan, Leana Metzcar, Wyatt Moore, Adalynn Hines, Trey Sagester.

## FFA District 5 Parliamentary Procedure Champs!

The team became the 1st District Champion team in Tri-Village FFA history and just the 2nd State Qualifying Team in our nearly 100 year history!

The team was led by a Senior core who are now the first 2 Time Qualifiers in Chairman: Grant Howell, Grant Leonard and Lucas Howell! The underclassmen proved just as strong to elevate them past 2nd place, Versailles. Americus Hirsch, Alexis Finkbine, Brody Beisner and Alyssa Wood will gain the opportunity to represent Tri-Village as sophomores!

The State Contest is at Delaware Area Career Center on December 14th. There will be 20 Teams total representative of the Top 2 Teams from each of the 10 Ohio FFA Districts.

## Tri Village Key Club

Key Club is off to a great start to the school year serving out in the community. Members have raked leaves at private residences, served food at New Madison Methodist Church, volunteered at Ole Fashioned Christmas in the Village at New Paris, and worked the concessions at junior high girls basketball games. They look forward to serving even more this Christmas season!

# General Guidelines for Keeping Children Home from School Due to Illness

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the Ohio Department of Health.

**CHICKEN POX:** Your child should remain home until all blisters have scabbed over, usually 6 days after the appearance of the first crop of blisters.

**COMMON COLD:** Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn.

**FEVER:** If your child's temperature is 100 degrees Fahrenheit or greater he/she should remain home until he/she has been fever-free (without the use of fever-reducing medicine) for a full 24 hours. Remember fever is symptom indicating the presence of an illness.

**FLU:** Abrupt onset of fever, chills, headache and sore muscles. Your child should remain home from school until symptoms are gone and the child is without a fever for 24 hours.

**HEAD LICE:** Following lice infestation, please accompany your child to school the morning after receiving treatment. The school nurse or trained staff will check to make sure there are no live bugs and that progress has been made in removing nits.

**IMPETIGO:** Your child should remain home from school until receiving 24 hours of antibiotic therapy and sores are no longer draining.

**PAIN:** If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

**PINKEYE:** Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eye has stopped.

**SKIN RASHES:** Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

**STREP THROAT AND SCARLET FEVER:** Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until he/she is without fever or vomiting for 24 hours.

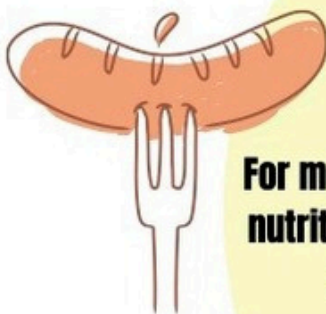

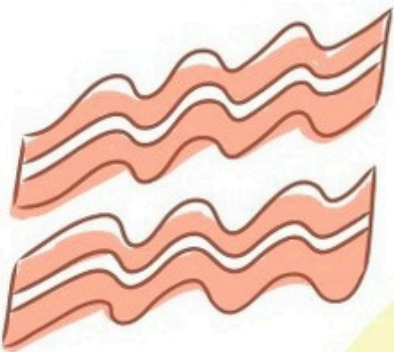

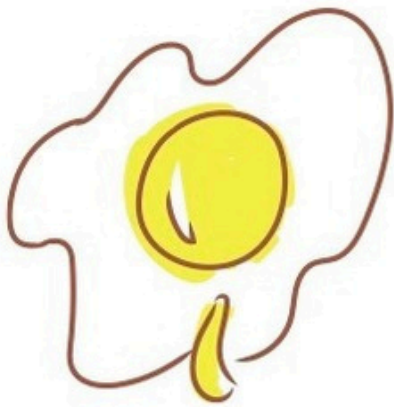

**VOMITING AND DIARRHEA:** Your child should remain at home until vomiting, diarrhea or fever has ceased for a full 24 hours. If your child has had any of these symptoms during the night he/she should not be sent to school the following day.

More information is available at: <http://www.odjfs.state.oh.us/forms/num/JFS%2008087/pdf/>

**\*\*PLEASE BRING A PHYSICIAN STATEMENT TO SCHOOL  
IF SEEN FOR ANY OF THE ABOVE ILLNESSES.**
