Inclement Weather Notifications

Dear Families,

Our District staff understands that our decision to open or close schools in bad weather has a big effect on families. We also understand that our students are better served both academically and socially by being in school. But as always, our top priority is the safety of our students.

Once a decision has been made to close school or delay the opening, the Superintendent will activate our One Call Now System, which means all parents will receive an automated phone call indicating that school has either been cancelled or will open late.

In addition to the automated call, the information will also be sent to the following media, websites and social media outlets listed below.

www.tri-village.k12.oh.us / @TV_Schools

WDTN Channel 2 / WKEF Channel 22 / WHIO Channel 7 / FOX Channel 45

The decision to close or delay the opening of school is made by the Superintendent of Schools. This decision is based upon the most up to date information available from the various resources. The decision to close or delay school is usually made by 5:45 A.M. However, weather conditions do change sometimes and decisions may need to be altered after that for the safety of our students and staff. If the announcement is not on the television or an automated call is not received the previous evening, the decision has not yet been made. Under typical circumstances the decision is not made until the early morning hours of the day in question.

We appreciate your support and cooperation in this matter. The safety of our children will always be our prime consideration.

Yours in Education,

Josh Sagester

Spelling Bee

The elementary and junior high schools at Tri-Village held their annual Spelling Bees on Thursday, November 30th. Thirty-nine total students participated in grades third through eighth. Parents, teachers, staff, administrators, and students watched as the top spellers in each class competed for the title of being the top speller at Tri-Village Schools! Each student participated in one practice round and then continued until a word was misspelled. Brenda Miller from the New Madison Public Library presented all of the spellers with their words. Thank you, Brenda Miller!

Lydia Ayette in fifth grade was announced the champion of the elementary for the Spelling Bee after twelve rounds! Mekedes Butsch in fourth grade was announced the runner-up. During the Spelling Bee for the junior high, Jeff Ketring was named the champion and Alyssa Begoon the runner-up. All four of these students received a trophy and will go on to compete at the County Spelling Bee in Ansonia on January 23, 2018! They will also be treated to lunch for their effort and hard work with the principals and gifted teacher at a restaurant in Greenville.

Congratulations to all thirty-nine students that participated in one of the Spelling Bees! Thank you to the teachers who helped prepare the top spellers! Thank you to the custodians for preparing the auditorium! Good luck to our top spellers when competing at the County Spelling Bee on January 23rd. The teachers, administrators, staff,

Lydia Ayette

Jeff Ketring

Winter is now upon us and the weather has a great impact on the health of our students, particularly the ones who do not have a suitable coat for the frigid weather conditions. If you know of a student who could use a new nice warm coat, hat or gloves please contact Ms. Black, Guidance Counselor at 937-996-1511 extension 210. We have a generous supply of brand new coats of all sizes along with hats and gloves.

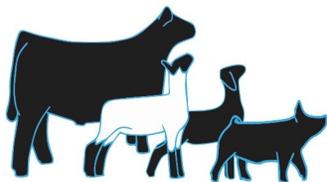

Football State Honors

Congratulations to Jared Buckley for earning 2nd Team All State as a Punter and 1st Team All Southwest District as a Running Back in Division VII.
