News From The Principal

Dear Tri-Village Families,

As we move into November, we are proud to share that our students and staff are continuing their hard work to ensure the academic success of all our learners. With the holiday season approaching, there are many important events and reminders to keep in mind this month. Your continued support is greatly appreciated as we strive to provide the best education for your children.

November Highlights

5th Grade CogAT Testing

Our 5th-grade students will be taking the CogAT (Cognitive Abilities Test) this month. This assessment will help us understand each student's learning strengths and support their future academic growth.

Field Trips

Many of our grade levels have already participated in exciting and educational field trips, with more to come throughout the month! These experiences allow our students to connect classroom learning with the real world.

Thanksgiving Break

The holiday season is fast approaching, with Thanksgiving on Thursday, November 28 this year. Students and staff will enjoy a well-deserved break from November 27th through November 29th. We wish all of our families a joyful and restful holiday.

Reminders

Dress for the Weather

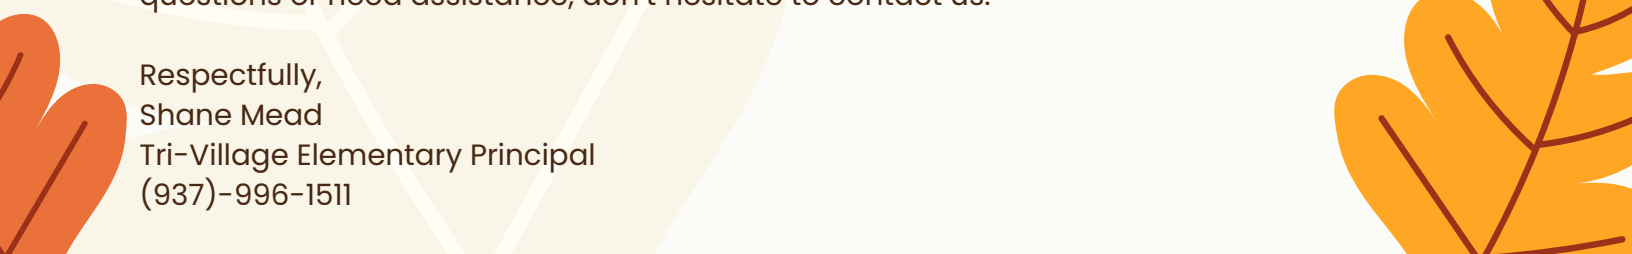

As the weather is getting colder, please remember to dress your children appropriately for the season. Warm jackets, hats, and gloves will help keep them comfortable during outdoor recess and activities.

Parent Support

Thank you for all the ways you support our students and staff here at Tri-Village Elementary. Whether through communication, volunteering, or simply encouraging your child, your involvement makes a difference in helping us achieve academic success for every student.

We look forward to another successful and engaging month of learning! If you have any questions or need assistance, don't hesitate to contact us.

Respectfully,
Shane Mead
Tri-Village Elementary Principal
