

College Credit Plus Tri-Village Local School District

Letter of Intent to Participate

2021-2022

(Due on or before April 1, 2021)

ALL DEADLINES ARE FINAL

Date: _____

Student Name: _____

Student Grade Level during 2021-2022: _____

I intend to participate in the CCP Program during 2021-2022 _____ (initial)

I have read the rules of the College Credit Plus Program, including but not limited to potential repayment under the Ohio Revised Code (ORC). I accept and agree to abide by them. I understand that my student's participation in CCP is completely dependent upon acceptance as a student at a participating institution of higher education (IHE). I also understand that it is the responsibility of the students/parents to apply for acceptance into the participating institution of higher education and to abide by all of that institution's deadlines and requirements regarding the CCP Program.

3365.09 Reimbursement where student fails course.

(A) Except as provided for in division (C) of this section, if the superintendent, or equivalent, of a public secondary school in which a participant is enrolled determines that the participant has not attained a passing final grade in a college course in which the participant enrolled under this chapter, the superintendent, or equivalent, may seek reimbursement from the participant or the participant's parent for the amount of state funds paid to the college on behalf of the participant for that college course. The governing entity of a public school, in accordance with division (C) of section 3313.642 of the Revised Code, may withhold grades and credits received by the participant for high school courses taken by the participant until the participant or the participant's parent provides reimbursement.

***College Credit Plus students who decide to leave the Tri-Village campus for all or part of the day, must understand the risk of missing some of the traditional high school experience. All announcements and information will always be placed on the school website and within student google classrooms, however, it will become the students responsibility to check these places on a regular basis to ensure they are getting all of the information they need. It would be highly encouraged to log into your school email account on your smart phone or electronic device and set notifications so that you receive an alert when anything is sent to your prospective google classroom.**
