Interested in Hosting an Exchange Student?

Have you ever had an interest in learning more about another country? One way to do that is by hosting a high school exchange student. By opening your home to a student from another country you have the opportunity to create an international friendship for a lifetime. The exchange students attend school as a normal student, come with personal spending money and insurance. Host families are asked to take them in as a member of your family and provide three meals/day.

If you would like to learn more about the program, please contact Heather Brown (heather_brown@tri-village.k12.oh.us). Now placing for the 25-26 school year.

Please see the following page for more information!

Am I a good host family candidate?

Are you over 25 years of age and do you have a:

- > Welcoming attitude
- > Desire to make a positive impact in a child's life
- > The wish to exchange cultures
- > And room for another household member?

If so, **you are the perfect candidate!**

Who are the successful families?

Our host families come from all over the United States and represent the diversity that the country is known for. **Families with children, families without children, empty nesters, and single individuals** have all had successful hosting experiences.

What are ISE exchange students like?

ISE exchange students **speak English**, they are **15-18-year-old** high school students **from over 40 countries around the world**. Program acceptance is based on their English skills, demeanor, adaptability, and eagerness to experience American culture.

Are students treated like "guests"?

No, ISE exchange **students expect to live as members of your family**. They respect family rules, help with chores, and participate in family gatherings and activities.

How long does the program last?

Programs run for **5, 10, or 12 months**. The 5-month programs can start in either August or January, the 10-month program begins in August, and the 12-month program begins in January.

What if there is an issue or emergency?

If a problem arises, **your representative is there to help you solve it**. ISE also employs full-time support staff at our headquarters and operates a 24/7 hotline for students and families for additional assistance.

Do families get paid for hosting?

No, all of our **host families are volunteers**. Families are eligible for a tax deduction for hosting a student. If you are looking for paid opportunities, consider becoming an Area Representative.

What are host families responsible for?

- > A bed and a place to study
- > Three meals a day
- > A nurturing environment to learn about American culture and to share their own.

ISE exchange **students arrive with their own money** for personal expenses, social outings, and other activities. Host families are not required to provide any cash allowance.

Who covers student's medical bills?

ISE exchange students arrive with **their own insurance**. Any costs incurred by the student for medical care is the responsibility of the student's natural parents or the student's sponsoring agency.

Can I host more than one student?

Yes. Some families prefer the experience of hosting two students at a time. To host two students, the **students must come from different countries and speak different native languages**.

How do I become a host family?

- > Get in touch with our representative (information below) or fill out an interest form on our website.
- > Next our representative will invite you to **complete our online host family application** that will help us learn more about your family lifestyle, and household.

Because the safety of our program participants is our highest priority, our host families must also pass a background check and home check.

When is the application deadline?

ASAP - the earlier you apply, the more likely it is that you'll find a compatible student in your area.

Tri-Village National Honor Society and Student Council Members Bringing Christmas Cheer to the Community.

Christmas Caroling

The National Honor Society and High School Student Council spent the day Christmas Caroling to the residents at the Brethren Home and The Village Green both in Greenville. The students took Christmas Cards for the residents and enjoyed being able to sing to and with the residents. Thank you to Deb Shilot for organizing the visits and spending the day with the students.

Community Dinner

The first annual Community Christmas Dinner was held on Sunday, December 8th and those attending were treated to fried chicken, mashed potatoes and noodles, green beans and a dessert. Tri-Village High School Student Council members as well as the National Honor Society members greeted our guests, served the food and helped with the clean up. We are hopeful this dinner can continue and grow. Thank you to all who supported our dinner in any way as well to those who attended.

WOAC Cheer Competition

Our Junior High and High School Cheer teams participated in the WOAC Cheer Championship on Sunday, December 8th.

High School Pom- WOAC Champions
High School Game Day- WOAC Runner-up
High School Cheer- WOAC Runner-up
Junior High Dance- WOAC Runner-up

Tri-Village also won the Spirit Award for the second year in a row. It was a great day to be a Patriot!

General Guidelines for Keeping Children Home from School Due to Illness

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the Ohio Department of Health.

CHICKEN POX: Your child should remain home until all blisters have scabbed over, usually 6 days after the appearance of the first crop of blisters.

COMMON COLD: Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater he/she should remain home until he/she has been fever-free (without the use of fever-reducing medicine) for a full 24 hours. Remember fever is symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Your child should remain home from school until symptoms are gone and the child is without a fever for 24 hours.

HEAD LICE: Following lice infestation, please accompany your child to school the morning after receiving treatment. The school nurse or trained staff will check to make sure there are no live bugs and that progress has been made in removing nits.

IMPETIGO: Your child should remain home from school until receiving 24 hours of antibiotic therapy and sores are no longer draining.

PAIN: If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

PINKEYE: Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eye has stopped.

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

STREP THROAT AND SCARLET FEVER: Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until he/she is without fever or vomiting for 24 hours.

VOMITING AND DIARRHEA: Your child should remain at home until vomiting, diarrhea or fever has ceased for a full 24 hours. If your child has had any of these symptoms during the night he/she should not be sent to school the following day.

****PLEASE BRING A PHYSICIAN STATEMENT TO SCHOOL
IF SEEN FOR ANY OF THE ABOVE ILLNESSES.**

Prepay for Breakfast/Lunches

To prepay for school breakfasts and lunches, go to <https://lingconnect.com/>, or go to our school website, click on the Students and Parents Tab, and then click on Cafeteria on the left hand side of the page. On the Cafeteria page, click on “New Payment System TITAN Notification” on the right side of the page. From here, you will create your new profile. Once your profile is created, you will be able to link your child(ren) to the account using their school lunch # (ask the office if you need help with finding this #). You will be able to replenish funds, see transaction history, and even set spending limits. You can also electronically fill out the Free/Reduced application. If you have already applied for the 2024/2025 school year, please do not apply again.
