The Tri-Village Athletic Department is excited to announce that we will be hosting our 2nd annual Night of Champions on Monday, December 23rd, prior to the start of the varsity boys basketball game versus Thurgood Marshall in the Patriot Activity Center (The PAC). The JV game will begin at 6:00PM that night so the ceremony will start at approximately 7:00PM.

The teams that we will be honoring at this event will be the 1985 State Semi-Final Softball team and the 2015 State Champion Boys Basketball team. The 1985 softball team will be celebrating its 40th anniversary and the 2015 boys basketball team will be celebrating their 10th anniversary.

We are asking for the help of the public to get word out to the members of these teams so that we can have as many of them in attendance as possible. **We would like for those members planning to attend to RSVP by December 16th, 2024** to Athletic Director, Brad Gray. He can be reached at brad_gray@tri-village.k12.oh.us. According to the yearbooks from those years, the rosters for each of those teams are listed below. HOMECOMING 2024

Another successful Homecoming Celebration, in the books! **Celebrating a Decade of Patriot Football** was held in October. The high school classes enjoyed competing against each other in Clash of the Classes, as well as Powder Puff Football. The Homecoming Parade was well attended, and many of our classes and organizations participated. Finally, the crowning of the King and Queen was held prior to the Dixie vs. Tri-Village Football game: Grant Howell was crowned King, and Reagan Brewer was crowned Queen. The Junior class came out as the victors of homecoming week and were treated to a pizza lunch.

The high school student council would like to thank all those who participated in any way during homecoming!

General Guidelines for Keeping Children **Home from School Due to Illness**

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the Ohio Department of Health.

CHICKEN POX: Your child should remain home until all blisters have scabbed over, usually 6 days after the appearance of the first crop of blisters.

COMMON COLD: Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater he/she should remain home until he/she has been fever-free (without the use of fever-reducing medicine) for a full 24 hours. Remember fever is symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Your child should remain home from school until symptoms are gone and the child is without a fever for 24 hours.

HEAD LICE: Following lice infestation, please accompany your child to school the morning after receiving treatment. The school nurse or trained staff will check to make sure there are no live bugs and that progress has been made in removing nits.

IMPETIGO: Your child should remain home from school until receiving 24 hours of antibiotic therapy and sores are no longer draining.

PAIN: If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

PINKEYE: Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eye has stopped.

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

STREP THROAT AND SCARLET FEVER: Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until he/she is without fever or vomiting for 24 hours.

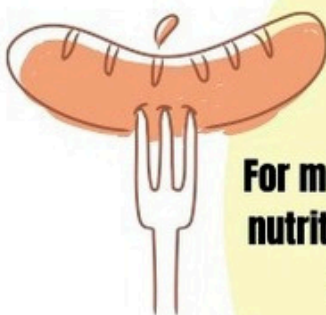

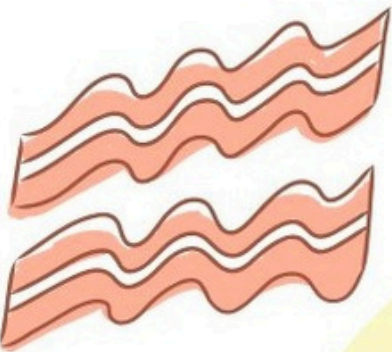

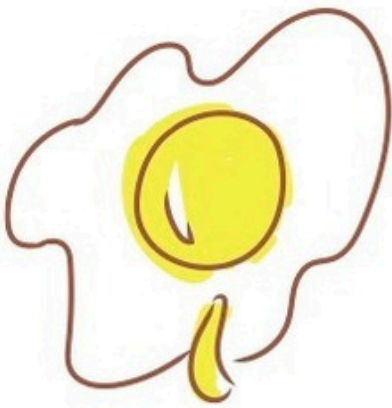

VOMITING AND DIARRHEA: Your child should remain at home until vomiting, diarrhea or fever has ceased for a full 24 hours. If your child has had any of these symptoms during the night he/she should not be sent to school the following day.

****PLEASE BRING A PHYSICIAN STATEMENT TO SCHOOL
IF SEEN FOR ANY OF THE ABOVE ILLNESSES.**

Prepay for Breakfast/Lunches
