Dear Tri-Village Elementary Families,

As we transition into the beautiful season of fall, we want to ensure that our students are comfortable, safe, and prepared for the changing weather conditions. Fall brings cooler temperatures and occasional rainy days, which means it's essential to dress appropriately for various activities, including recess, physical education, and attending football games.

Here are some tips and reminders for dressing your child for success this fall:

Recess and Outdoor Play:

1. **Layer Up:** Encourage your child to dress in layers. Mornings can be chilly, but as the day progresses, it may warm up. Layering allows students to adjust their clothing accordingly.

2. **Jackets or Sweaters:** A light jacket or sweater is a must-have. It's easy to remove if needed and helps keep your child warm during those cooler moments.

Physical Education Classes:

1. **Comfortable Athletic Wear:** Ensure your child wears comfortable athletic clothing and sneakers on days when they have physical education classes.

Layers can also be beneficial here.

Football Games and Outdoor Events:

1. **Blankets and Stadium Cushions:** If you plan to attend outdoor events like football games, bring blankets and stadium cushions for added comfort. It can get chilly sitting in the stands.

2. **Warm Hats and Gloves:** Don't forget to pack warm hats and gloves for everyone in the family when attending evening events. Keeping your extremities warm can make a big difference.

3. **This is just a friendly reminder:** Please leave the footballs at home. They will not be permitted into the stadium. Students can stand and watch the game or sit with their parents.

By ensuring your child is dressed appropriately for the fall weather, they can fully enjoy all the outdoor activities this season has to offer while staying comfortable and safe.

We also want to remind parents to label their child's clothing and belongings with their name. As the weather changes, students may remove jackets or sweaters, and labeling helps prevent lost items.

Thank you for your cooperation, and let's make this fall a season filled with memorable moments and comfortable outdoor experiences for our students.

Warm regards,

Shane Mead

A Season to Give

This year, PATS is helping students learn about giving back to their community. All items brought in will be donated to local food banks and blessing boxes. All money raised will be used to stock the nurse's clinic with pants, shoes, & shirts for any student in need. We will also purchase snacks for classrooms. **Here's how to help:**

Students can buy feathers at lunch for the teacher who they want to wear a silly holiday costume to school! This year, we have a turkey, Grinch & Christmas Tree costumes for teachers to wear.
