Homecoming wrap-up- Our 2021 version of Homecoming and Spirit Week were a huge success. After taking a one year hiatus due to COVID restrictions, Spirit Week came back with a vengeance, culminating in four days on campus that were extremely memorable. Clash of the Classes saw the return of amazing activities, including the "baby 4X100 meter relay," the pumpkin pie eating contest (shoutout to Stuart Brown), and the karaoke contest (featuring Mr. Gore and Josh Scantland). Wednesday's Powder Puff was a defensive contest where both squads struggled with their passing games before the Freshmen/Juniors winning a closely contested game against the Sophomores/Seniors by a score of 18-6. Thursday's parade/bonfire/pep rally saw a tremendous turnout by our students, staff, and community, with Patriot Pride on display all over town. Friday's Homecoming game was preceded by our crowning ceremony with Chloe Godown and Preston Broyles taking the reigns as Queen and King. The highlight of Spirit Week was an emphatic victory over Arcanum on the gridiron by a score of 53-28. Reed Wehr led the way for the Patriots, scoring a school record 6 rushing touchdowns. A special thank you goes out to all of our volunteers and staff for making this week special for our students.

INCHY THE BOOKWORM

New this year to Tri-Village is the Inchy the Bookworm Vending Machine. Through out the school year students will receive tokens to purchase a book through the vending machine. These tokens can be earned for good behavior, random drawings for special events, etc. Here are our 1st set of winners pictured above: Ty Fritz, Hayden Hunt, Carter Finkbine, Carl Singer, Elizabeth Moss, Mekedes Butsch and Gabrielle Kirby.

FINAL FORMS

Final forms was introduced into our school district last year. Did you know you can update EVERYTHING to final forms? You can update emails, phone numbers, addresses and so much more. We can send all school information through final forms as well. It is a great way to stay connected and up to date on everything. Please log in today and make sure you have completed all of your final forms. Check for emails from the school, through final forms, to stay up to date on all the new information.

Reading is an important habit to cultivate because it opens up new worlds and enriches lives.

Medications

If you would like your child to receive over the counter medications at school, please submit a signed form to the office. Forms are available in the office, through FinalForms, and on the school website. <https://www.tri-village.k12.oh.us/FormsLinks.aspx>

Students must have new forms completed each school year and placed on file in the office in order to take medication at school. Permission forms for inhalers, epipens, and other prescription medications can also be found on the school website link listed above.

Screenings

Students in grades 1st, 3rd, 5th, 7th, 9th, 11th and all new students will have their vision and hearing screened during the month of November. If your child has glasses or contacts, please make sure that they are wearing them to school.

Food Allergies

Please keep food allergies in mind when sending treats to school for holiday parties and birthdays. Please refrain from sending anything with peanuts, and plan your special treat day ahead of time with your child's teacher.
