Cancer Association of Darke County Fundraiser

October 2023

The High School Student Council, Junior High Student Council, National Honor Society, Key Club, Cheerleaders, and FFA teamed up to raise money for the Cancer Association of Darke County. The Tri-Village Community has so many families who have been affected by cancer, so we decided to raise money for the association that helps all cancer patients and their families.

The teachers were able to pay money for jean week and the students brought in baked goods for a bake sale held during the Tri-Village vs Bradford Football Game. The response from the kids was tremendous and the baked goods sold well. We are honored to be able to present \$1150.00 to an organization that reaches so many people affected with cancer.
