REGISTRATION DOES NOT OPEN UNTIL MARCH 1, 2024

Please do not register ahead of time or you will be enrolled in the incorrect school year and could require duplicate forms.

If your student is currently attending Wee Patriot Preschool, please log into FinalForms and you will see your student. Please select the blue box for registration for the 2024-2025 school year and select lets get started.

You will then see your forms on the left hand side to complete.

A child is eligible for entrance into kindergarten if s/he attains the age of five (5) on or before August 1st of the year in which s/he applies for entrance.

STEP ONE-COMplete THE ONLINE FINAL FORMS

HOW TO COMPLETE FINAL FORMS

1. When you click go into Final Forms you will be taken to a page that has options for a parent to create an account or use an existing Final Forms account (this includes WeePats). If you have students who are currently enrolled in TV, please select login to access your account and click add new student. Creating an account allows you to complete the Final Forms process and allows you to update information in the registration forms if it should change in the future. Please make sure you are registering for the 2024-2025 school year.

2. Once you have created an account, you will be taken to Final Forms. Follow the instructions and complete all forms listed.

3. If you do not have access to the internet, you can visit the school office and use the computers there.

ALL ONLINE FINAL FORMS MUST BE COMPLETED BEFORE A STUDENT MAY ATTEND TRI-VILLAGE SCHOOLS.

Mrs. Brummett, Elementary School secretary or Mrs. Shellie Francis, Executive Administrative Assistant, will reach out to you using the contact information provided in Final Forms to discuss documentation that is needed prior to screening and enrollment. ACES READING PROGRAM

Do you have a student that is in Kindergarten through 6th grade, that is having difficulty with reading, fluency, vocabulary, comprehension and/or phonics? If so, we can help!

Our ACES Reading Program is offered after-school and during the summer where students will be provided an hour of one-on-one tutoring once a week. The program is available Monday through Friday and is located in our Greenville, Ohio location.

The student will first have an initial assessment to determine the students level and will then work with a former title 1 teacher who will help address their academic needs.

There is a fee for this service that ranges from \$30.00 to \$170.00 per quarter. The fee will be determined prior to the first session and is based on income and the number of individuals living in the home. The Federal Poverty Guidelines will also assist in determining the fee that is owed each quarter
