The Patriot Pulse

Tri-Village Local Schools

Dear Parents,

It is difficult to believe that summer is almost over as we prepare to open our doors for the 2022-2023 school year. It is with immense Patriot pride that I begin my 10th year as your superintendent. One of the things that I believe in as Superintendent is that we have an obligation and a duty as public educators to meet the needs of all our learners, whether they be academic, social or emotional. I believe that as a public institution, we have a duty to prepare students for the world they enter into upon graduation. This preparation includes academic, technological and social skill sets.

With that in mind, we continue to provide the following at Tri-Village:

- A rigorous education that focuses not only on academic content but also on skill sets that will enable students to be college and career ready.
- A set of high expectations for all students to achieve.
- Opportunities for participation in extra -curricular activities that help build character
- Exposure to, and appreciation for fine arts.
- The development of civil character and responsible citizenship for all.
- A culture that cares about the development of the whole child.
- A community partner that seeks to work with parents and community members for the betterment of our district.

It is in this manner that we continue in our daily mission to serve students, thus helping them attain their goals. Working with a dedicated school board, administrative team, faculty and staff, I hope to continue to build on the successful programs we have implemented here over the last nine years while we continue to develop and utilize new programs and technologies designed to keep us competitive and engaged in the world around us.

If your child has been a student here over the years, I look forward to seeing you again at various school events. If you are new to the district, I welcome you and encourage you to become involved with our various programs. I want all of our students' experiences at Tri-Village to be valuable and serve as the foundation for their future. In that, I welcome your support and partnership.

Yours in education,

Josh Sagester

From the Desk of Level MB Construction and Garmann Miller Architecture

CONSTRUCTION PROGRESS, JULY 2022

Patriot Activity Center Update

Currently as July 4th, the pre-engineered metal building erection continues to progress. The roofing has been installed over the gymnasium and metal siding has commenced. Meanwhile, masonry crews are wrapping up with columns in the gym as well. Additionally, wood framing crews are nearing completion of the Patriot Activity Center front façade. In the parking lot, sitework is heavily underway with significant completion by mid -August, just in time for the start of the 2022-2023 school year.

Early Learning Center Update

Currently as of July 4th, overhead ceiling inspections continue to move forward as ceiling tiles and flooring will begin next week. All casework and doors are scheduled to be installed in early August which will be followed up with a fresh coat of paint for the Early Learning Center to open its doors on time for the 2022-2023 school year.

Issue 3 - 2022

Elementary Highlights

September
• All State Diagnostic Testing successfully completed by Sept. 30 th . Much in part to 1:1 ratio of Chromebooks.
