Tri-Village Local Schools

Issue 3 - 2023

Message from the Superintendent

Tri-Village Community,

As we celebrate the conclusion of another school year, I would like to thank each of you for your many contributions to Tri-Village Local Schools. The accomplishments and successes of the 2022-2023 school year are due to the collective efforts of our Tri-Village Family.

I continue to enjoy working with all staff members, students, and stakeholders of the Tri-Village community. It seems like yesterday we began our journey together. I assure you preparations for another exciting school year are already in full swing as we find ourselves replacing personnel, improving our facilities, and updating our technology infrastructure for the 2023-2024 School Year.

On behalf of the Tri-Village Board of Education, I would specifically like to thank our community for their continued support including attendance at school events, volunteer efforts at our facility, and financial support through your local tax dollars. Thank you for making the connection between a strong, local school system and strong community. We are grateful that our community values an investment of both time and resources to positively impact our children.

Simply stated, a culture of success and high expectations is not possible without the support of everyone in our community. This concept only becomes a reality when each one of us is willing to grow and sustain a culture of excellence in education. We depend on all our stakeholder groups and community partners to strategically move our school system forward during challenging times.

As we take time in coming weeks to reflect and refresh, we do with confidence that the 2023-2024 school year will be even better. We will learn from failures and tweak our successes. We will grow stronger as a team and overcome any obstacles placed in our way. This is the Patriot Way...it starts and ends with the best team of educators, support staff, and families around!

With Gratitude,
Josh Sagester

Mr. Sagester
Superintendent
