

The Patriot Pulse

Tri-Village Local Schools

Issue 2 - 2022

Dear Parents and Community Members,

As we celebrate the conclusion of another school year, I would like to thank each of you for your many contributions to the Tri-Village Local School District. The accomplishments and successes of the 2021-2022 school year are due to the collective efforts of our Tri-Village family.

I have thoroughly enjoyed working with all staff members, students and stakeholders of the community. It seems like yesterday we began our journey together. However, rest assured preparations for another productive school year are already in full swing as we find ourselves replacing personnel, improving facilities while making curricular enhancements for next school year.

On behalf of the Tri-Village Board of Education, I would like to thank you for your continued support, including your attendance at our school events, volunteer efforts on our campus and financial backing through your local tax dollars. I sincerely thank you for making the connection between a strong, local public school system and a dedicated community. We are grateful that our stakeholders value education and what it represents.

Simply stated, a culture of success and high expectations is not possible without the support of everyone in our community. This concept only becomes a reality when each and every one of us is willing to grow and sustain a culture of excellence in education. We depend on all of our stakeholder groups and community partners to strategically move our school system forward.

As we take time in coming weeks to reflect and refresh, we do with confidence that the 2022-2023 school year will be even more productive and rewarding. We will learn from failures, tweak our successes and set goals. We will continue to grow stronger as a team and overcome any hurdles placed in our way. This is the **Patriot Way**, it starts and ends with the best team of educators, support staff and families around.

Yours in education,
Josh Sagester

Mr. Sagester
Superintendent

Valedictorians

Micah Ayette, is the son of Alan and Erin Ayette. His future plans are to attend Johnson University and major in Psychology/Family Studies/Biblical Studies.
