Continuity of Learning Plan

Dear Parents/Guardians,

Mr. Sagester
Superintendent

I hope this message finds you well. As we navigate through our lovely Ohio winter weather, we want to keep you informed about the possibility of utilizing our Continuity of Learning Plan (online learning) if the district **exceeds five calamity days**. Due to Ohio law, districts must utilize an online learning plan after exhausting five calamity days. The Continuity of Learning Plan will be used for days **six**, **seven** and **eight** if need be. Any school days missed after that will result in days being made up, which are defined on our Board adopted calendar. With the cancelation today, the district has utilized **four** calamity days due to inclement weather. The district may use one more calamity day before online learning days will be activated.

What are online days?

Online days are an alternative to making up hours due to school closures. Districts may use an online day plan to make up the equivalent of up to **three school days** via online delivery under allowable circumstances.

Continuity of Learning Plan for Tri-Village (online days)

1. The teaching staff will use Google Classroom to provide online instruction to our students.
    a. Students will follow their **regular class schedule** online by visiting each teacher's Google Classroom.
        i. Each teacher/principal will communicate their individual plan with students/parents.
2. Attendance will be taken based on completion of assignment(s) and/or participation.
3. Our teaching staff will be online for the entirety of the regular school day via their individual link in their Google Classroom from 7:40 am-3:00 pm.
4. Students will use their own device and/or a district issued Chromebook for technology access. Students who do not have access (technology/internet) will be given the assignment(s) upon their return to school however, **the expectation is that students make every attempt to be present online during the school day when warranted.**
5. The district will use our various social media outlets, parent square and our one call now information system to inform parents when our Continuity of Learning Plan will be activated.

We appreciate your continued support, understanding, and most importantly your patience as we navigate the weather. If you have questions regarding our plan, feel free to reach out to our building principals and/or your child's teacher.

Josh Sagester
Superintendent

The Tri-Village Board of Education would like to thank Tom Schlechty for his 40 years of service and dedication to the Tri-Village Local School District.

His impact on the district will be felt and remembered for generations.

Celebrating School Counselors

Happy National School Counseling Week!

🍎 This week, we are celebrating the incredible impact our school counselor has on student success and well-being.

Thank you for everything you do to support our students' dreams!

Ms. Annette Black
Guidance Counselor
