The Patriot Pulse

Tri-Village Local Schools

Issue 25 - 2026

Welcome Back

Dear Parents and Guardians,

Mr. Sagester
Superintendent

It is hard to believe that August has arrived and that we will be opening our doors for the 2026–2027 school year in just a few short weeks. With great Patriot Pride, I am excited to begin my 14th year serving as your superintendent.

One of my core beliefs as an educational leader is that we have both an obligation and a responsibility to meet the needs of every student—academically, socially, and emotionally. As a public school district, we are committed to preparing students for success beyond graduation. This preparation includes developing strong academic foundations, technological proficiency, and the social skills necessary to thrive in an ever-changing world.

With that commitment in mind, Tri-Village Local School District continues to provide:

- A Five-Star education that focuses not only on academic excellence but also on the skills students need to be college, career, and life ready.
- High expectations that encourage every student to achieve their full potential.
- Opportunities to participate in extracurricular activities that build leadership, teamwork, and character.
- Exposure to and appreciation for the fine arts.
- The development of strong character, responsible citizenship, and respect for others.
- A culture that values and supports the growth of the whole child.
- A partnership with families and community stakeholders dedicated to the success of our students and district.

Through these efforts, we remain focused on our daily mission of serving students and helping them reach their goals. Working alongside our dedicated Board of Education, administrative team, faculty, and staff, I look forward to continuing the successful programs and initiatives that have helped make Tri-Village a place of excellence, innovation, and opportunity.

If your child has been part of the Tri-Village family for years, I look forward to seeing you again at our many school events and activities. If you are new to our district, welcome! We are excited to have you join our community and encourage you to become involved in the many programs and opportunities available.

My goal is for every student's experience at Tri-Village to be meaningful, memorable, and serve as a strong foundation for their future. Thank you for your continued support, trust, and partnership as we begin another exciting school year together.

Josh Sagester
Superintendent
