News From the Principal

Happy New Year, Tri-Village Families!

I hope you had a blessed holiday season and enjoyed quality time with your family and friends. As we settle into the winter months, it's time to focus on the exciting challenges ahead. The weather is turning colder, and the holiday celebrations are behind us. Now, we're gearing up for a long push toward spring, with an eye on preparing for state testing.

Our teachers are hard at work covering all the necessary standards to ensure students are equipped for another successful year. In the past, our school has been ranked among the top two in Darke County, and our goal this year is to reach the top spot! We will continue striving for excellence, thanks to the dedication of our students, staff, and families. A friendly reminder: Please make sure your children are dressed appropriately for the winter weather. If the real-feel temperature is above 20°F, students will have outside recess, so it's important they come prepared with a heavy coat, hat, and gloves to stay warm. Thank you for your continued support as we work together to make this a successful year for our students.

Warm regards,
Shane Mead

Third Grade

Our third graders were given dictionaries again this year from the Cove Spring Grange. Our students were excited to get their new dictionaries and explore all the exciting information inside.

They are ready to start using them in the classroom.

Thank you to the Cove Spring Grange for your donation.
