

## Family Health Special School Clinic

Family Health in Greenville will be offering special clinic hours to assess children who become sick and need to be assessed or tested to return to school. The hours for this clinic will be from 1:00 pm to 5:00 pm. This is open to Family Health and Non-Family Health patients. The process to obtain an appointment is outlined below.

- Please contact your primary care provider first to see if they have appointment openings, or if they are wanting to see sick patients in their office.
- If your primary care provider does not have any opening and you need to be seen, please call Family Health to get an appointment.
  - 937-547-2321 - Suite 2
  - 937-547-2320 - Suite 3
- These appointments will be in suite 2 or suite 3 with Tina Huffman or Mickey Ferguson, from 1:00-5:00 pm.
- Child will be assessed and tests will be ordered as appropriate. Guidance will be given if child can return to school, wait on testing to return to school, or need to quarantine.
- Walk in appointments are available, but your wait time may be less if you call and get an appointment.
- These appointments are for school aged children, preschool to 12<sup>th</sup> grade. School employees are also welcomed to use this service.
